Concession & Gate 2007-2008

*Our concession and gate is taken care of by our parents. Please review the times that you need to be here. If there is a conflict with the schedule, please make your **OWN** changes and let the school know. The parents' phone numbers are listed at the end of the schedule. Thank you for your diligent work each year. A parent that works the night of the game, will get in free to the game that evening.*
